## DAWNINGS LEADERSHIP TEAM

Your *Dawnings* Leadership Team attended an introduction to *Dawnings* led by Harry Rowland and Bo Prosser with the Cooperative Baptist Fellowship at Eagle Eyrie, June 5-7. We were inspired to consider a process of prayerful discernment of God's vision for our congregation.

Why do we need to discern God's vision for us? Because our church, any church, exists solely for the purposes of God. We have no other purpose.

Your *Dawnings* Leadership Team will be prayerfully seeking God's direction about ways God will have us individually and corporately become more focused on what God wants us to be and do.

Will you pray for us, with us? You will be hearing more about *Dawnings* over the next few weeks and months. Members of your *Dawnings* Leadership Team are Karen Jarrell, Mary Beth Miller, David McRae, Vickie Morris, Alan Miller and Rick Clore.

## MISSION FOCUS

### Partnership. What is it??

"A partnership is an arrangement in which parties agree to cooperate to advance their mutual interests" (from Wikipedia). Religious organizations may partner together to increase their chances of each achieving their mission and to amplify their reach. Aaron Weaver, editor of *fellowship!* magazine states, "Partnerships are central to our identity as Cooperative Baptists. Partnerships expand our witness as we seek to fulfill God's mission as 'the church in the world' allowing us to do far more together than could be done alone."

An example of partnership is the story of "Rick" and "Susan" who have served as field personnel in the Middle East for 14 years. Christian persecution is a daily reality for them. "Rick" and "Susan" open their home regularly to residents to nurture relationships. Strengthening relationships often leads to other ministries. Because their work is sensitive it is risky to publicize details about their work. Giving to the Offering for Global Missions enables individuals to partner with "Rick" and "Susan".

Another exciting partnership is that of Central Baptist Theological Seminary (Shawnee, Kansas) and surrounding CBF churches. Master of Divinity degree students at Central are required to complete an internship which provides opportunities to implement what they are learning. CBF churches provide internship opportunities. Local CBF churches host seminary events and call upon seminary faculty and staff to host and lead church events. This seminary-church partnership strengthens relationships between the institutions.

Read about other inspiring mission partnerships in South Africa, Uganda, Macedonia, Belize and Kentucky Baptist Fellowship in The Partnership Issue of *fellowship!* magazine (June/July), the first annual issue highlighting mission and ministry partnerships. Copies are in the church vestibule and the "Commons" area outside the Pine Room.

Remember that partnerships are sustained through gifts to the Offering for Global Missions. Give prayerfully and generously!

## THANK YOU!

Pastor and Members of Orange Baptist Church, My family and I thank you all so much with deep appreciation from our heart for "everything" you all did while work was being done on my home and the nice driveway.

You all did so many nice things for me and my family.

May God bless each one of you in a very special way.  
Mary Lindsay & family

## RURAL LOVE

Rural Love, part of the Goshen Baptist Association, is in urgent need of small kitchenettes, microwaves, dressers, twin, full, queen mattresses (separates or sets - they will match), bed frames, pots and pans, electric stoves, washing machines, dryers, refrigerators, good vehicles, etc. Please make sure all appliances work properly and are clean.

OBC needs volunteers (young, strong, youth and adults) to make deliveries and pick up items. If we get enough volunteers we can pair up and put on rotating basis with our present volunteers. Truck is helpful, but not necessary. This outreach can be done daytime, evenings or weekends. Contact the church office if you wish to volunteer.

Also, Goshen Baptist Association is collecting any leftover skeins of yarn, and cotton quilting fabric. Bring to church office and we will deliver it to them whenever we have a pick up or delivery for Rural Love.

### Two Stewardship Models

What does all this thinking about owning things have to do with biblical stewardship? Everything. There are two basic models to consider when analyzing North American life today. One is the ownership model to which most North Americans are introduced at birth. The other is the biblical stewardship model. When you become a Christian, you have the opportunity to learn about and the practice the biblical model. Paul said that at first Christians are "babes in Christ" but that we grow in our understanding of God's will for our lives and our partnership with God. This growth inevitable involves growth in stewardship.
