STEWARDSHIP -- APRIL

Unified Budget

Receipts	\$28,307.50
----------	-------------

Disbursements	\$25,674.70
---------------	-------------

- "If Jesus tells the meek that the earth will belong to them, why did he say, as also recorded in the Sermon on the Mount, *not* to gather earthly treasures? 'Do not store up for yourselves treasures on earth, where moth and rust destroy, and where thieves break in and steal. But store up for yourselves treasures in heaven, where moth and rust do not destroy, and where thieves do not break in and steal. For where your treasure is, there your heart will be also' (Matthew 6:19-21).

- These words bring us back to the paradox that we find life by giving it to Christ. To inherit the earth, we must let go of the earth. To obtain the earth, we must give earthly treasures away and place our heart elsewhere."

- --Arthur Simon, founder and president emeritus, Bread for the World

MAKING A KINGDOM IMPACT IN THE WORLD
BEGINNING IN OUR COMMUNITY

ORANGE BAPTIST CHURCH WELCOMES NEW MEMBERS

Thomas Travers comes to OBC by transfer of letter. He served in the US Army for 3 years and the Navy Reserves for 9 years. Tom has four children and eight grandchildren. His daughter, Terry Connell, is featured below. His life ambition was to be in christian broadcasting. After the steel mill he worked in downsized, he had the chance to fulfill his dream. He applied for a welding job erecting transmitters for Christian radio stations and enjoyed his 35 years in that field of work. He's proud that a son is continuing that line of work.

Terry Connell joins OBC by transfer of letter. She grew up in Okeechobee, FL. She studied Marine Biology at Eckerd College in St. Pete, FL before moving to the Washington DC area where she also studied graphic design and multimedia. Terry came to Orange where she could bring her horses and raise a family away from the hustle and bustle of Northern Virginia. She now lives in Unionville with her family and father. She has two children, Eryn (10) and Thomas (5). She loves horseback riding, hiking, kayaking, and fishing with family and friends. Terry works mostly with the National Oceanic and Atmospheric Association and other government agencies designing websites and other educational material for children. She and her daughter, Eryn are also developing an outdoor club and magazine for Orange County children called Orange Explorers. She says that OBC is the first church that has felt like family in a very long time and thanks you for welcoming her.

Erma Boyles comes to Orange Baptist by profession of faith. Her baptism will be on Sunday, June 12. Erma has been attending several years while rendering care to her husband, Bob and sisters Tressie, Regal and Ellen.

Erma has a daughter, Robin, and three beautiful grandchildren, Haley, Blake and Chase. She worked for the Mayfield City School in Cleveland for 26 years.

She enjoys traveling, cooking and housework. She loves cats, but especially her grandchildren.
