**EVENSONG**

Come join us for Evensong this Summer.

We will continue to meet in the Sanctuary on Wednesdays from 6:00 - 7:20 p.m. during the months of June and August.

We will take a break during the month of July.

If you have never been to Evensong, come check us out while you have a summer break!

**MoneyLife PERSONAL FINANCE STUDY**

Beginning September 10 Rick Clore will be facilitating *The MoneyLife Personal Finance Study*. The study will run for 10 consecutive Wednesday evenings following Evensong. Individuals or couples can participate.

The cost for the workbook is \$47.45.

The study will be limited to the first 12 who register by August 20.

The *MoneyLife Personal Finance Study* will help you:

- Understand God's financial principles
- Obtain hope and deepen your faith
- Grow in your generosity
- Ditch debt permanently
- Create a solid, reasonable financial plan for your life
- Make confident financial decisions
- Develop new attitudes and habits related to money and possessions
- Save and invest for the future
- Impart financial wisdom to your children

75% of Americans said money was their biggest cause of stress according to American Psychological Association's 2011 Stress in America: Our Health at Risk report released Jan. 11, 2012.

## MISSION FOCUS

Microenterprise

What is it? Microenterprise is a type of small business that requires seed capital for start-up power. The small business may be a single operator owner or have a few employees (usually no more than 5-10).

Microenterprise is a business model that is used globally but has proven to be especially successful in developing countries. Microenterprise adds value to the country's economy by creating jobs, enhancing income and strengthening purchasing power.

Microenterprises are effective in lifting persons out of poverty through training, counseling and providing small amounts of credit.

Several years ago the Cooperative Baptist Fellowship incorporated microenterprise as a mission strategy. Andy and Jutta Cowie are two of many CBF field personnel who are working with individuals or small groups to establish micro-businesses. Andy and Jutta are serving in Haiti and are working with Haitian women and men to help them escape the overwhelming poverty that was worsened by a devastating earthquake in 2010. Their goal is to empower the Haitians by developing self-esteem and self-confidence that evolves from self-help (eg microenterprises). Andy, an auto mechanic, hopes to train Haitian men to become auto mechanics. Jutta is teaching women to make jewelry and other crafts. An animal-husbandry project resulted in 47 goats being distributed to Haitian families. Offspring were sold for income.

Microenterprises are extremely diverse and are suited to the specific culture.

Your gifts to CBF help to sustain the ministries of field personnel initiating microenterprises around the world. Give prayerfully and generously to global missions.

OBC family,

Chris, the girls and I want to thank you from the bottom of our hearts for thinking of us in our time of need.

Your monetary gift is very much appreciated. We feel truly blessed and thank God for surrounding us with wonderful family and friends.

## MUSIC AND MISSIONS

As we complete one year, planning begins for another.

Kitchen team members are needed for Wednesday night meals for Music and Missions and Evensong.

Preparation and serving is one night per month. We specifically need help on the 1st, 4th Wednesday, and an occasional 5th Wednesday.

Contact the church office, Patricia Coleman, Lovedy Papproth, or Martha Jeen Jacobs if you can help.

## LOVE YOUR NEIGHBOR--STEP BY STEP

continued from May Newsletter

William Chewing was the spearhead in an effort to bless our neighbor, Mary Lindsay. William's sense of God's call to his neighbor's need originated when he re-connected to his long-time friend through OBC's hosting of Mission Madness. Since that weekend he and several other OBC members have been completed renovation of the kitchen and one bathroom, and grading and graveling the driveway. The work was done according to County building codes.

Others involved with this endeavor were Lee Barrenger (electrician), David Brizzolara (plumbing), Jimmy Kestner (floor plan drawings), Steve Sedwick (kitchen design), Jeff Foster (grading gravel and hauling off debris), Wayne Chewing (hauling gravel) and Luck Stone (donated driveway materials).

OBC members provided the labor, preparation of meals for the workers, checking on Mary Lindsay and her family who resided at the Chewnings' home while work was being done.

### NEEDS vs. WANTS vs. DESIRES

The Lord instructs us to be content when our basic needs are met. "But if we have food and clothing, with these we will be content" (1 Timothy 6:8). It is important to understand the difference between a need, a want and a desire. Needs are the basic necessities of life--food, clothing and shelter. Wants are useful, but no necessary for survival, while desires are typically more extravagant. God may allow us to have some of our wants and desires, but He has not promised to provide all of them.
