Services to Abused Families, Inc. (SAFE) was established in June, 1980 as the Women's Abuse Shelter by a group of local citizens who recognized the need for services to abused women. The commitment, hard work and conviction of many community members created a safe haven for victims of domestic violence.

A support group for survivors of family abuse and sexual assault will begin in The Town of Orange on March 7, 2011 (Mondays) from 6-7PM weekly. To receive the location for this support group or if you have any questions about our services, please call SAFE @ 800-825-8876.
